Snapshots   10
What went well in the Sprint? 29
What could be improved?   25
What will the group commit to improve in the next Sprint?   24

"What could be improved":
This section should only focus on areas/ideas that the team thinks could be improved.

"What will the group commit to improve in the next Sprint":
Having identified what went well and what could be improved, here team should decide ideas and steps on which the team will take actions
